

27th September 2021

Dear Parents of S1 to S3 Students,

The First Term Uniform Test

In order to evaluate the effectiveness of teaching and learning as well as cultivating students' good learning habits, the First Term Uniform Test will be held from 21st October (Thursday) to 29th October (Friday). The results of the tests will account for 15% of the Term Overall Marks. Students should pay due attention to the scope of the test provided by subject teachers.

Kindly pay attention to the following:

1. If students bring their mobile phones or any devices which have the alarm function and/or allow access to the Internet to the test venue, they need to switch them off and put them under the chair in a position clearly visible to the invigilators. During the test, if a student's electronic device emits any sound, the student will receive a mark penalty and may be subject to disciplinary action taken by the school.
2. During the test, if articles such as paper, notes, books and all kinds of electronic devices (including tablets, mobile phones, multimedia players, electronic dictionaries and databank watches) or other wearable technologies with communication or data storage functions are found on a student's desk or in the drawer of his/her desk, in his/her pockets or on his/her body, he/she may be disqualified from the test.
3. The school will not arrange any make-up test for students who are absent from the test. If a student does not provide a valid reason for his/her absence from the test, he/she will score no mark for that subject. If a student is absent from the test due to sickness, he/she must submit a doctor's certificate to the school on or before 2nd November 2021. In that case, the subject teacher will project the assessment mark with a 20% discount based on the student's performance in regular assignments, quizzes and participation in class.
4. If an announcement of closure of schools is made by the Education Bureau due to a tropical cyclone, inclement weather conditions or outbreak of health crisis, the tests to be held on the day of school closure will be rescheduled. The rescheduled test date for the subject(s) concerned will be announced in due course. The original schedule for the tests on the other days will remain unchanged.

In addition, as the Covid-19 pandemic persists, to safeguard the health and safety of students and in accordance with the guidelines issued by the Education Bureau, schools are not allowed to hold large-scale activities during which students can eat and drink. Hence, the outdoor learning day originally scheduled for 8th November will be cancelled and replaced by a test day for two subjects, namely Physics and Mathematics Extended Part Module 2, for S4 to S6 students. S1 to S3 students do not need to go to school that day.

The Uniform Test schedule is hereby attached for your information. Please encourage your child/children to make a revision plan and work hard to achieve good results in the coming Uniform Test.

Yours sincerely,

TANG Suk-ching
(Principal)

Reply Slip – The First Term Uniform Test
(Please reply through eClass on or before 4th October.)

Dear Principal,

I have read and understand the arrangements for the First Term Uniform Test and will supervise my child/children to work industriously to strive for good results in the Test.

A handwritten signature in dark ink, appearing to be 'V. S. S.', is located at the bottom left of the page.
